4. Click on your name in the top right corner of the screen.

5. Select **Edit profile**

6. You can edit your profile as required.

IMPORTANT INFORMATION FOR STUDENTS

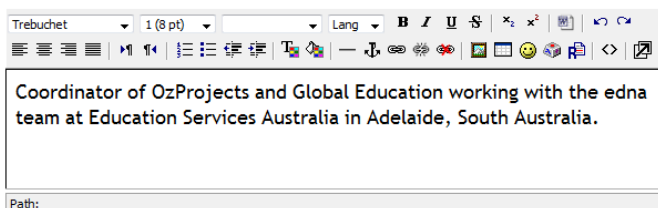

It is suggested that students use the drop down arrow next to **Email display** to select **Hide my email address from everyone**. Next to the **Email activated** heading it is suggested that students select **This email address is enabled** so that they can receive forum postings

relevant to the projects in which they are enrolled.

7. Students can then write a brief description about themselves in the text area.

8. The final step is to **Browse** and upload an avatar (or picture) before clicking on **Update profile**
